Message:

i write after looking at parish council minutes, and see in the finance and accounts for payment ,
JACS GATES £1808.40.....Surely these are not the two little white gates by Knockin Hall?

If they are, That is a Ridiculous price to be paying, And as someone who is a council tax payer, surely
the parish council could have found better value.

Also thank monica mosely for supposedly contacting you about the problem with the fence?
